FLORIDA SWEET CORN

There are 240,000 ears of corn available from the Glades this season — more than an ear for each of the folks who live in these United States!

There's a potential 7 to \$9,000,000 in cash for Glades farmers — and all of us get some of this.

With one crop meaning so much to a community, why shouldn't you and I talk corn at every opportunity?

Belle's Restaurant has taken the initiative in a beautifully arranged display of Glades grown vegetables Sunday.

If you can't talk corn to a newswoman or a stranger, let's talk to each other!

PHS Approval Is Received By City

Washington has given approval to the city's sewerage system and authorized advertising for bids on the project which will cost more than \$500,000 to bring sewerage facilities to a portion of the city.

A telegram received late Thursday by City Manager Charles Robinson apparently cleared the last stumbling block and the engineers will start the authorization to the bidding stage, Robinson said.

The engineers are also authorized to request an extension of the Florida State Board of Health deadline of June 1 for construction. The city's fiscal representative, E. C. Hodges of B. J. Yanigues & Co. told the commissioners recently that immediate approval would just barely allow the city to move before the deadline.

The government's final OK is something less than immediate.

Red Cross Swimming Classes Set Next Week

Municipal swimming pool will be closed to the public next week Monday through Friday 8-6 p. m. while the Red Cross holds swimming classes.

Other hours announced by Miss Corbitt Slater: Saturday 9-12 a. m.; 1-5 p. m. and 6-8 p. m. Sunday: 2-6 p. m. only, since 1952.

'Ikeability' Of Present Leadership Stumbling And Most Ineffective

The junior Senator from Tennessee, Albert Gore, was elected in hard-fought contest with the able Senator McKellar — he's a successful campaigner.

Senator Gore has the background of a Tennessee school principalship and a record as a Congressman, with in between public positions — the Senator enjoys stability in the minds of his fellow men.

Senator Gore is a member of the Atomic Energy Committee, as a recognition of his studious interest in this modern world-distributing science — the Senator is in a position to know something of our and the Russian's position in a possible nuclear war.

Whatever the Senator says is likely, even though it is in

Most Effective Medium

It's generally conceded that newspaper advertising is the most effective single medium, and the American public accepts the statements of advertisers in reputable newspapers.

The Glades corn growers and their advertising costs believe in newspaper advertising.

The growers have agreed to contribute a few pennies to a cooperative advertising program throughout the eastern part of the US.

This limited amount must be made to go as far as possible — and NEWSPAPERS ARE BEING USED, in this first season.

Florida sweet corn growers have a GOOD PRODUCT and they're telling the world about it — they're telling the prospective customer through an EFFECTIVE MEDIUM — the NEWSPAPER!

YOU HAVE A GOOD PRODUCT — THE HERALD is a GOOD MEDIUM!

Owens Is Guest At Coffee Hour

A plan for equitable property valuation and reduced millage was presented to interested citizens Thursday morning at Bell's Restaurant by Palm Beach County Tax Collector James Owens. Guest speaker for the Chamber of Commerce coffee hour sponsored by Florida National Bank.

Owens told his audience: "There is nothing on the minds of the people more than taxation." There is a main for spending money and public debt for their governments is terrific, he went on.

Owens sketched briefly how our valuation system evolved in the state and county. He stressed that valuation at present was lower than it should be, that it was unfairly assessed and should be corrected.

The state has urged all counties to assess at full cash value of property since the constitution recommends 100% appraisal. At present the county books are about one-third the cash value for almost all property.

Spending tax payers pay \$54.30 for every \$1,000 of taxable valuation, the speaker said.

He said that the high school that pushes the figure so high is schools or education in general which accounts for about 12% of the total.

Under Owens' plan, the state would levy school taxes through a sales tax, thereby shifting the burden of taxation from the property owner to anyone who spent money in the state.

He said drivers pay for the roads the use; however, migrants and tourist put their officers chosen to take part in anything to educate them.

Removal of all school taxes from the present tax base. (Continued on Page Eight)

Band Earns Best BGHS Mark Ever At State Meet

An all time high rating was made by Belle Glade High School Band at the southern division contests of the Florida State Band Association last week in Tampa. Ten superior ratings were chalked up by the band, the highest total achieved by the group since its participation in the contest. John Moore band master stated.

With 17 bands participating on May 1, the local band made superior in concert and first reading and excellent in marching.

Receiving the superior ratings were the following students: Leonard Higby, section conductor; Sammy Ganbille, flute soloist; Dick Dupree, trombone; Karen Vadas-piano; Judy Westers-piano; Neil Killough-wind; Pat Anderson-wind; Brass Quintet composed of Sandra Dras, coronet; Bonnie Paige, cornet; Dewitt Draa, French horn; Dick Dupree, trombone.

Lauren Anderson received an excellent rating for her clarinet solo and Bobby Wil received good in trombone.

Two Greyhound buses transported the band to Tampa and returned to Belle Glade.

The group was quartered at the Florida Hotel. Chaperones were Mr. and Mrs. Frank Anderson, Mr. and Mrs. George Young, Mrs. Russell Tucker, Mrs. Lee Berryhill and Bandmaster and Mrs. John Killough.

Other officers were: band advisor, Madie Wiser; clarinet, Pat Smith, Hope, Marylyn Matthews; Faith, Nancy Layfield. These and other officers appointed by the worthy advisor elect will be installed at installation rites on the public May 19 at 7:30 p. m.

Rainbow Elects Donna Armstrong

Donna Mae Armstrong, daughter of Mr. and Mrs. Harvey Armstrong was elected worthy advisor of the Rainbow Chapter of the U. S. and Russian sources.

The studies will be particularly aimed at comparisons between U. S. and Russian sources.

D. W. Fisher, USDA agronomist at Fibers Experiment Station left Thursday by plane to visit Oregon where he will spend time on his research for about 30 days.

Bregger Crowned King For A Day

Dr. Thomas Bregger, sugar cane physiologist, for 21 years at the Everglades Experiment Station, who will retire from service in June, was crowned "King For a Day" at a barbecue held on the grounds with the entire staff of the station and their families enjoying the event.

A baseball game was included in the activities between the academic and non-academic staff, which kept everyone highly entertained. As the play, there were plenty of errors.

Approximately 200 enjoyed the barbecue and dinner with Joe Crockett and the animal husbandry department in charge. Other trimmings of the dinner were brought by the ladies.

Dr. Bregger was presented a gift of a congratulatory letter from a truck, and was crowned by Mrs. Bregger seated in the chair. He was also presented a scroll with a picture of the experiment station on it, which cited his accomplishments in the station's history.

High School Addition Now In Seventh Week

Roemer Construction Company workers entered the seventh week of work on the \$19,200 addition at Belle Glade High School. A spokesman said the rough work would be finished in about another month.

The work should be finished with time to spare before this year's fall term. The foreman said that roads would be on all the structures in another month if the weather holds out.

The addition consists of a 136 by 46-foot cafeteria building, four new classrooms 23 by 131 feet, a 39 by 61-foot music building as well as a 41 by 104 ag shop.

William Eggleston New Commander Of Legion Post

Everglades American Legion Post 20 elected a slate of officers for the coming year which will be installed July 1 in joint ceremonies with Auxiliary officers.

William E. Eggleston was unanimously elected commander. Two other unanimous choices were Richard J. Jones, first vice commander; and George Pierce, second vice commander.

H. A. Vaughn, Jr. was named third vice commander. Re-elected to posts were Milton Gleason, finance officer; George Farnall, chaplain; and Mike Sheppeck, sergeant-at-arms.

Completing the slate were Aubrey Arnold, historian; Tom Swager, assistant sergeant-at-arms; with J. B. Jones and William Vaughn named to the executive board for three terms.

Elected Legion detachment for the year was Ralph Freeman succeeding J. Jones. The position is honorary in nature and was bestowed on Freeman unanimously by the body.

For his work in Legion activities.

BGHS Glee Clubs Corn Is King Of Glades Harvest

Belle Glade Junior and Senior Glee making plans for a high school musical, Tuesday night, May 13 at 8 o'clock, according to the director, Fredrick Stevens.

Various solos and ensembles will also appear in special numbers. A program has been planned which is certain to be enjoyed by everyone and will include two numbers on which the High School Chorus won superior ratings in the contest.

There will be an admission of 75 cents, which will be used toward defraying expenses toward the musical. The district contest.

The program includes the following numbers: Thanks to God, The Lord's Prayer, Give Me Your Tired, Your Poor, My God and I, This is My Country, America, Our Heritage, Hold 'Em Joe, A Round the Corner, Battle Hymn of the Republic, Go Tell It on the Mountain, My Bonnie Lass, She Smileth, I Believe, Lover Come Back to Me, Tea for Two, I Want to Be Like Spring, O God, We Sing Thy Praise.

Civitan Barbecue Set For May 24

Belle Glade Civitan Club members are planning a barbecue which will be open to the public and held May 24 at the municipal city club.

Advance ticket sales proceeds will go entirely to the Christian Ministry to the Blind, which is rebuilding the recreational program at Osceola Center.

This shop and archery supplies were destroyed early this year by fire at the nursery.

M. & M. Pure Bred Angus Ranch of Indian Trail has donated a steer to Civitans in order to make the barbecue as profitable as possible for this worthy cause.

Julian Griggs, Director of the Christian Ministry to the Blind, with members of his Osceola Ranch, archery club, will demonstrate the effectiveness of different types of bows and arrows during the recreational program at Osceola Center.

Health Unit Spokesman Says Get Polio Shots

Federal and state health authorities have reported that a large number of our people have not had any immunization against polio, a spokesman at the Palm Beach County Health unit at Belle Glade said this week.

Persons who have not started the protection are urged to do so at once while vaccine is available and profitable as possible for this worthy cause.

Julian Griggs, Director of the Christian Ministry to the Blind, with members of his Osceola Ranch, archery club, will demonstrate the effectiveness of different types of bows and arrows during the recreational program at Osceola Center.

Men Wanted By FBI Nabbed Here

Two men wanted on federal charges have been arrested at Belle Glade and turned over to the FBI, according to Police Chief Charles Goodlet and John H. Williams, Special Agent in Charge, according to the Bureau of Investigation.

James Geter, Negro, was arrested May 1 as one of several fugitives apprehended by FBI Belle Glade police men.

A prompt fingerprint check with FBI records confirmed by Inter-Gator, alias Lee Gary, was wanted for unlawful flight from South Carolina to avoid confinement for assault with a deadly weapon and robbery.

William H. Morgan was apprehended May 6 by an FBI agent and City Investigator Louis Altery after Immobilee officials claimed Morgan had eluded them in that city.

Morgan was wanted on federal charges of theft and interstate transportation of a (semi) tractor from Detroit, Michigan to Henderson, Ky.

Morgan had been sought by agents since Mar. 8, 1957 while Morgan's warrant stemmed from a Mar. 10, 1955 indictment.

Crowds Mob New City Pools In Capacity Numbers

Well before one o'clock Saturday afternoon crowds of youngsters began gathering at the municipal swimming pool site and at Lake Shore pool on 13th St. Their thoughts had nothing to do with formal opening ceremonies, prayers or dedication of anyone's speeches. They just wanted in.

At 1:22 P. M., delayed by the late arrival of some honored guests, State Rep. Emmett S. Roberts began the inaugural remarks of the dedication ceremony.

Just minutes before he announced to the long queue of children that they had plenty of time to wait. His remarks to the audience were short. He mentioned several swimming pool committees and individuals who had done so much toward the development of the city.

Dr. J. Leighton Scott pronounced the benediction of the ceremony. Dick Morris, Regional Director, American Red Cross, West Palm Beach, presented a swimming and diving exhibition and short water ballet.

City Commissioner R. W. Lanier cut the red ribbons and the first swimmer of the pool was on. More than 370 entered the pool Saturday afternoon and more than 400 were counted at the gate.

Mrs. Pittsworth Re-elected By BPW

The slate of officers presented for the new year were unanimously elected at the regular meeting of the Business and Professional Women's Association at the home of Mrs. Milton Burry Monday night.

Mrs. Corrine Pittsworth was elected president; Mrs. Sarah Nash, 1st vice president; Margaret Mosley, 2nd vice president; Mrs. Ann Quinn, recorder; Mrs. Mary Jones, secretary; Mrs. Gloria Crosby, treasurer.

Annual reports were given and Mrs. Sarah Lee Creech and Mrs. Burry gave reports on the district meeting held recently at St. Mary's.

Announcement was made of the state convention, June 12-14 in Tampa and it was voted to send two delegates including the president with \$75 for expenses.

Officers will be installed at a dinner at the Country Club on May 13. Reservations must be made by May 10.

This column is for Herald readers to express their opinions on questions of the day. They are not necessarily the opinions of this paper.

Mr. Luther Jones, Publisher
Belle Glade Herald
Belle Glade, Florida

Dear Mr. Jones:

We have received a copy of the Friday, April 11 issue of the Belle Glade Herald and read with interest the report of the recent dental program in your area.

This is a very interesting article, and I feel sure that your readers will appreciate the detailed account of the dental program which was made possible by the hard work of the Migrant Committee, school officials and interested civic organizations.

The Herald has given excellent coverage of our program since the beginning, and on behalf of the Bureau of Dental Health and Dr. Wilson T. Sowder, State Health Officer, I wish to express our thanks and appreciation for your interest in our various public health programs in your community.

Sincerely yours,

"Ikeability" Of Present

Gore doesn't like the existing situation, and he is a Republican administration and doesn't speak well of them. The Senator attributes to the present Republican leadership a vacuum of ideas and lethargy, "stretch-out, put off and delay" attitude toward suggestion action by anyone else in our national economic condition, our crumbling international diplomatic responsibility and our untenable position in the race for space invasion.

The world-wide recognition of Russia's break-through into outer space could have been ours; our army ready for a year before Russia sent up the first Sputnik; we could have flown an atomic-powered plane a year ago; we have the ability now and the Administration has it scheduled for 1964: this atomic airplane could be put into the air within one year. I don't think the Russians will wait until 1964 to put theirs into space," the speaker said.

"Only three of our European allies have given permission for us to install defensive nuclear weapons in their territory, we have lost prestige in the far east and in the near east; our influence has dwindled to practically non-consideration."

With the argument of adjustment as an excuse, more interest in please Wall Street has emerged as the reason for the "tight money market," which practically stopped home building.

The speaker related an experience with Vice President Nixon, as a fellow congressman and wondered at the now publicized "NEW NIXON," who is developing convictions. "The Senator doesn't think any amount of grooming will bring the American people to tolerate this new Nixon who has recently developed convictions."

prize sweet corn in Florida is protected by DITHANE M-22 (mameb)

"The successful growing of sweet corn in Florida would not have been possible without the help of DITHANE in controlling leaf blight."

You often hear this said among Florida sweet corn growers... and statistics on both the vast increase in acreage and the steadily increasing use of DITHANE fungicides in Florida back up what they say.

Now, new DITHANE M-22 (mameb) gives even better control of Helminthosporium leaf blight and Puccinia rust. The pay-off is higher yields of firm, well-filled ears that sell faster at top prices. And growers like the way DITHANE M-22 "babies" their crop... the way it helps the plants stay green and healthy.

DITHANE M-22 wettable powder is available in convenient package size from your dealer. He can also supply your needs for DITHANE M-22 dusts. New residue tolerance now permits the use of DITHANE M-22 on sweet corn. See your Rohm & Haas Fieldman for results of comparative tests now in progress. Use DITHANE M-22 this year. You're sure to like it. DITHANE is a trademark, Reg. U.S. Pat. Off. and in principal foreign countries.

Over 280 Enjoy May Dance Saturday Night

One of the most outstanding events on the Belle Glade social calendar of the spring season was the Annual May Dance of the Exemplar and Ritual Chapters of Beta Sigma Phi Sorority and their guests at the National Guard Armory Saturday evening.

Approximately 280 enjoyed dancing to the music furnished by Frank Newton's Orchestra of West Palm Beach and the Calypso Band of Belle Glade.

A Calypso theme was carried out in decorations, with the tables featuring red and white flowers, ferns and candles in bottles. The two buffet tables on either side of the room were fully decorated with colorful calypso hats on the sides, of the table cloths, and two figures of a man and a woman in calypso costume attracted attention of the dancers as they swung by the bandstand.

Art Falden was announced winner of the door prize and Mrs. Lorenzo Connele announced Mrs. Howard Payne as Girl of the Year for the Exemplar Chapter and Mrs. Robert Abel for the Ritual Chapter.

Mrs. J. E. Jones and Mrs. C. L. Todd, social chairman were in charge of arrangements.

Correct potency

is essential in vitamins

Vitamins are healthful. Lack of them, this is a genuine on which you will find no disagreement. But there are many different vitamins. Consult your physician if you suspect a serious vitamin deficiency. His examination will disclose what vitamin(s) your health requires.

Also, vitamins must be of the right potency if they are to perform their function. Door-to-door salesmen of household gadgets and other nonmedical items now offer vitamin products as an "added item." So often their talk is based on scientific training. Rely on your pharmacist to supply you with properly formulated, full-potency vitamins.

Permit Needed For Certain Water Front Construction Engineers Say

Col. Troxler, District Engineer for the U. S. Army Engineer District, Jacksonville, said today that there has been many instances in recent months where water front construction under the jurisdiction of the Federal Government has been performed without prior issuance of a Department of Army permit. Without an Army permit this is technically illegal in nature.

Under the River and Harbor Act of 1889 it is not lawful to construct any bridge, pier, wharf, bulkhead, or seawall in the "navigable waters of the United States" or to excavate from or place fill in such waters without the prior approval of the Department of the Army. With thousands of miles of water front areas throughout the state, it is only natural that there be an extensive development operations of the type requiring Department of the Army approval.

The Corps of Engineers defines a "navigable water of the United States" as any body of water which in itself or through connections with other bodies of water is capable of supporting interstate traffic. Conversely many of the landlocked lakes, particularly in Central Florida, do not come under Federal jurisdiction. However, a great majority of rivers, lakes, sounds and bays in the state are under Army jurisdiction. This jurisdiction extends outward from the high water shoreline.

The issuing of a permit is a simple procedure and no fee is charged. The decision as to whether or not a permit will be issued is based on the effect the proposed work would have on the reasonable rights of public navigation," Troxler said.

The Corps of Engineers will be glad to furnish the information on Department of the Army permits. Inquiries should be addressed to the District Engineer, U. S. Army Engineer District, Jacksonville, P. O. Box 4970, Jacksonville, Florida.

South Bay School Installation Held

Installation of new officers of the South Bay PTA was held Monday evening in the school auditorium, with Mrs. Editha Eckman as installing officer.

The following were inducted: president, Mrs. John L. Evans; vice president, Mrs. O'Neal Walker, secretary, Mrs. Marvin Davis, treasurer, Mrs. Henry Davis, historian, Mrs. James Wall.

During the business session the group voted to spend \$75 on summer recreation to purchase one mat for stunts and tumbling to be added to the school's equipment.

Principal Charles Goodwin announced pre-school roundup for next year's first term will be held at the school auditorium Tuesday night, May 20 at 8 o'clock. All parents of these children are urged to attend this meeting.

School will close on June 6 and the awards day program will be held in the morning at 8 o'clock. Announcement was also made that Mrs. Eckman was retiring after this term.

Mrs. Leslie Martin fourth grade teacher is moving to West Palm Beach for health reasons and will not be here next year.

The here next year were commended highly for their long period of faithful service and courage were pinned on each in recognition of the PTA's gratitude by president Mrs. John L. Evans.

After the meeting adjourned, parents and teachers visited the class rooms where open house was being observed. Displays were featured representative of the years' work and with emphasis on science work that each grade had completed. The very fine displays were commended highly.

Refreshments were served in the lunch room.

Legion Post 20 Shuns National Job-Finder Push

Everglades American Legion Post 20 will not participate in any job-finding programs for veterans as proposed late last week by the American Legion's economic commission, according to commander W. H. McCarty.

The recommendation of the Legion's commission, headed by S. M. Hoffman, was submitted to the national executive committee. Commander McCarty countered the proposal by saying,

"While there may be a need for such a Legion program in other parts of the nation, Post 20 will not compete with other job-finding agencies. Instead, we recommend that the unemployed veteran contact the nearest Florida State Employment office."

McCarty said that the FSES already had the "machinery" set up to process the veterans' claims and applications for jobs.

Provisional FSES manager J. W. Mosley said, "The whole employment service is set up so that first the handicapped veterans then other veterans get preferential treatment. When a job opening is filled with the FSES policy, the qualified veterans always get first consideration."

Mosley urged veterans who might become unemployed to register with the FSES office, and also any veterans who own a business should list their openings with FSES, knowing that vets will get first opportunities.

Mosley said that at present, few veterans are listed as unemployed.

School Daze

Monday, May 5th BGHS students eligible to vote, elected the following student council officers for the school year 1958-59. President - D. DePre, vice president - Judy Farmer, Secretary - Pat Smith, and Treasurer - D. DePre.

Yearbook-Dedicated Wednesday, May 30, in an assembly of BGHS, Miss Oulster, Editor-in-chief of the yearbook (annual) staff, made a public dedication of the 1958 yearbook to the Mayor, Athletic Director, and Mr. John Munroe, Band Director. A copy of the yearbook was presented to each of them.

The names of the teachers to whom the annual is dedicated are traditionally kept a secret until the time of public dedication which is just before the annuals are distributed at the end of the year. The annual staff decides to whom the annual is dedicated. It is donated by the Woodham Camp School.

Miss Rebecca Woodham won the Sophomore Spelling Bee at the annual spelling bee, May 10th at 10 a.m. in the Palm Beach High School Auditorium. This will be the 10th annual County "Sophomore Spelling Bee."

The winner of the County contest will receive a trophy which is donated by the Exchange Club of West Palm Beach. The trophy will be on display at the school of the winner for one year.

The contest was proposed for the purpose of emphasizing the importance of correct spelling and showing to the public that there is still an art to spelling in these high schools.

Orchids and Onions Orchids-to Mr. Abbot for his short-and-to-the-point lecture to the "big kids" in assembly. Onions-to the "little Brats" who ranched the notebooks in the girls locker room.

Orchids-to the Annual staff for producing such a wonderful book. We will all cherish it forever for the memories it holds.

Onions-to the kids who didn't vote in the student council election. Orchids-to the Art and Industrial Arts Department for the interesting and attractive exhibition. Our school is not without talent. And you have it with us wisely.

Onions-to whoever took the books from the typing room. If you don't bring them back your taxes must go up so the state can buy more to replace them!

Orchids-to everyone who had anything at all to do with making it possible for us to have a swimming pool.

Beta Club Convenes Representing the local Beta Club at the State Convention of the National Beta Club at Clearwater on May 2-3 were Jim Cox, Randy Williams and Jay. They participated in many discussions of groups from which they received many suggestions for helping our newly organized club to get off to a good start.

An honest politician is one who, when he is bought with stay bought. — Simon Cameron

THANKS FOLKS

There aren't finer folks anywhere than those who live in the Glades. To everyone of you who expressed concern for my welfare in so many thoughtful and practical ways while I was hospitalized in Lakeland, I sincerely say "Thank You."

The flowers, the cards, the checks were all so much appreciated. It takes adversity sometimes to truly appreciate one's friends. R. B. Mackey Pahokee, Florida

With Thoughts to Mr. Lawrence Padgett and family. We were sorry to hear about the death of your sister. We want to say to you, look up and smile. We know you loved her but God loved her best. May God bless and keep you in His care. Ethel and Clara

"THE MAIDS" (l-r) Verlon Jones, Carol Mae Hinton, Dottie Lair, Diana Graham, Julia Johnson and Roberta Frank, all pupils of Fern Frank School of Dance were in the highlight of the school's recent presentation of "The Unhappy Princess" at Pahokee High School Auditorium.

Mrs. Tittsworth (Continued from Page One) made by Saturday May 17 by calling Mrs. Annie Clayton. Members may bring guests. Installing officer will be Mrs. Helen Speed. District 8 director of Delray Beach.

At various times in history counterfeiting has been punishable by death.

Until an accident happens to you, it means little or nothing. Sorta like old age. We never appreciate youth until the hammer falls.

Square Dance Club Organized In City

A new club has been formed in Belle Glade, and it is believed to be the first of its kind in the Glades area. The name of this group is the Seminole Square Dance Club, and its purpose is to promote and enjoy "western style" square dancing.

This style of square dancing has grown phenomenally throughout the United States in the past 10 or 15 years. In individual, well grounded in western style square dancing fundamentals, can dance in almost any section of the United States. Although it is now characterized by a tendency toward modernism, square dancing is "folk" and the people who dance take old figures and alter and reshape them.

The club meets every Saturday night at the home of Yvonne and Joe Guerry on Tabit Road. A class is being organized for those who are interested in learning this type of square dancing. The class is from 7:00 to 9:00. The club members and their guests will dance from 9:30 to 11:00.

A cordial invitation is extended to those who know how and to those who would like to learn. Further information can

be had by calling Violet Felsing at WY 6-2883 or Bob Wilson at WY 6-2860.

"Squeeze" Squeezes Out Another Life Tuesday BG Police Reveal

A Negro arrested by Belle Glade police for illegally manufacturing squeeze, an intoxicant made from canned heat, died at Belle Glade Memorial Hospital Tuesday evening after he became sick at city jail.

Police Chief Charles Goodlett said Bert Wilson, 58, a resi-

dent of the Old Folks Juke on SW Ave. C Place, was taken to a doctor about 6:25 p.m. and was dead before 7:30 of a cerebral hemorrhage.

Wilson was an habitual squeeze drinker—probably for more than 20 years—and officials believed squeeze was at least partially responsible for his 12 months.

Old Folks Juke is believed by many to be the squeeze capital of the area. Police records show several arrests there for such actions for the past 12 months.

Spring Cleaning Includes Your Car

Mother thinks about spring housecleaning. Dad gets out the old fishing gear and oils and lubes but who in the month of May thinks much about doing the same chores on the family car?

That was today's question from the Florida Highway Patrol, which, as usual, is urging one and all that this is the time of year when we all ought to check the benzine burner to see if we are riding a death trap or the trusted family car.

There were over 5,000 wrecks reported in Florida last year in which one or more vehicle defect figured as the major cause. Of that total, 740 of these wrecks caused deaths, the patrol said.

The grand total wrecks in which defective equipment was called the major actor, was about 12th. of all that happened where exact cause was determined by the patrol. The Florida Highway Patrol cooperates with local safety

groups and the National Safety Council in the annual drive for safer vehicles.

Patrol Comdr. H. N. Kirkman today passed on 10 suggestions for a safer automobile. Here they are:

- 1) Front lights. 2) Horn. 3) Brakes. 4) Windshield wipers. 5) Exhaust system. 6) Tires. 7) Rear lights. 8) Steering. 9) Rear view mirror. 10) Glass.
